DESPATCH.

CIRCULAR.

DOWNING STREET, 16th December, 1907.

SIR,—I have the honour to inform you that His Majesty the King has been pleased to institute a Medal, to be called the Edward Medal, for courage in saving, or attempting to save, life in mines or quarries within His Majesty's Dominions, Protectorates, etc.

2. A copy of the Royal Warrant is enclosed, from which you will observe that the Medal is to be of two classes, and may be bestowed on persons of either sex and of any nationality.

3. The act in respect of which the bestowal of the Medal is recommended must have been performed in or about a mine or quarry, and either above or below ground; but it is not His Majesty's desire that the Medal should be given for rash and injudicious attempts at saving life, however gallant they may be; as, for instance, in cases where those who attempt to rescue have themselves to be rescued by others, and thus only aggravate the danger.

4. The award of this Medal will not be in substitution for the Albert Medal, but both medals will not be bestowed in respect of the same action.

5. It is intended that the qualification for the Edward Medal, although not so high as for the Albert Medal, shall be of a high and exceptional order, and the grants will therefore be reserved for such cases.

6. Applications for the Medal will be dealt with as they arise, and I have accordingly to request that you will submit to me for the consideration of the Secretary of State for the Home Department any instances that may be brought to your notice of exceptional courage of the nature indicated, accompanied by such observations and documents as you may think proper.

I have, &c.,

ELGIN.

*The Officer Administering the
Government of*

Enclosure in Circular dated 16th December, 1907.

Whitehall, October 17th, 1907.

The KING has been pleased to issue a warrant under His Majesty's Royal Sign Manual to the following effect:—

EDWARD, R. & I.

EDWARD THE SEVENTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, to all to whom these Presents shall come, Greeting!

Whereas We are desirous of distinguishing by some mark of Our Royal Favour the many heroic acts performed by Miners and Quarrymen and others who endanger their own lives in saving or endeavouring to save the lives of others from perils in Mines or Quarries within Our Dominions and in territories under Our Protection or Jurisdiction, We do by these Presents for Us, Our Heirs and Successors institute and create a new Medal to be awarded for such acts of gallantry:

Firstly.—It is ordained that the Medal shall be of two classes which shall be designated and styled

“The Edward Medal of the First Class” and “The Edward Medal of the Second Class.”

Secondly.—It is ordained that the Edward Medal of the First Class shall consist of a circular Medal of Silver with Our Effigy on the obverse, and on the reverse a design representing the rescue of a miner with the inscription “for courage.”

Thirdly.—It is ordained that the Edward Medal of the Second Class shall consist of a Circular Medal of Bronze of a similar design.

Fourthly.—It is ordained that the Medals shall only be awarded to those of Our Faithful Subjects and others who, in saving or endeavouring to save the lives of others from perils in Mines and Quarries within Our Dominions and in territories under Our Protection or Jurisdiction, have endangered their own lives, and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department.

Fifthly.—It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the London Gazette, and that a Register thereof shall be kept in the Office of Our Principal Secretary of State for the Home Department.

Sixthly.—It is ordained that each Medal shall be suspended from the left breast and the riband, of an inch and three-eighths in width, shall be dark blue with a narrow yellow stripe on either side: Provided that when the Medal is awarded to a woman it shall be worn on the left shoulder, suspended from a riband of the same width and colour, fashioned into a bow.

Seventhly.—It is ordained that any act of gallantry which is worthy of recognition by the award of the Edward Medal, but is performed by one upon whom the Decoration has already been conferred may, on a recommendation to Us by Our Principal Secretary of State for the Home Department, be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional Bar may be added.

Eighthly.—In order to make such provision as shall effectually preserve pure these most honourable Decorations, it is ordained that if any person, on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which, in Our judgment, disqualifies him for the same, his name shall, by an especial Warrant under Our Royal Sign Manual, be forthwith erased from the Register of those upon whom the said Decoration shall have been conferred and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an agreement to return the same, if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our Heirs and Successors, shall be the sole judges of the circumstances demanding such forfeiture. Moreover, We shall at all times have power to re-grant a Medal to any person whose Medal may at any time have been forfeited.

Given at Our Court at *Saint James's*, the thirteenth day of July, one thousand nine hundred and seven, in the seventh year of Our Reign.

By His Majesty's command.

H. J. GLADSTONE.

THE ALBERT MEDAL.

REGULATIONS AS AMENDED BY ROYAL WARRANT ON
5TH JUNE. 1905.

THE Albert Medal was instituted by Royal Warrant dated 7th March, 1866, for the purpose of rewarding, by mark of Royal favour, heroic actions performed on sea or land.

This Warrant was amended by others bearing date 12th April, 1867, 30th April, 1877, 13th September, 1881, 12th March, 1891, and 24th March, 1904, by Royal Warrant 5th June, 1905, the following rules and ordinances were established:—

I. It is ordained that the Decorations “For Gallantry in Saving Life at Sea” shall be styled “The Albert Medal of the First Class” and “The Albert Medal of the Second Class.”

II. It is ordained that “The Albert Medal of the First Class,” when conferred for gallantry in saving life at sea, shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V and A, interlaced with an Anchor erect in gold, surrounded by a Garter in bronze, inscribed in raised letters in gold, “For

Gallantry in Saving Life at Sea," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

III. It is ordained that "The Albert Medal of the Second Class," when conferred for gallantry in saving life at sea, shall consist of the like shaped enamelled Badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and shall be suspended from a dark blue riband of an inch and three-eighths of an inch in width, with two white longitudinal stripes.

IV. It is ordained that the Medals shall only be awarded to those of Our faithful subjects and others who, in saving or endeavouring to save the lives of others from shipwreck or other perils of the sea, have endangered their own lives, and that such award shall be made only on the recommendation to Us by Our Principal Secretary of State for the Home Department: Provided, always, that the preliminary steps and inquiry concerning the award of either Albert Medal inscribed "For Gallantry in Saving Life at Sea," shall, if the award be to any one belonging to the Royal Navy or the Royal Marines, be with the Lords Commissioners of the Admiralty, and in other cases with the President of the Board of Trade.

V. It is ordained that the names of those persons upon whom We may be pleased to confer either of the Albert Medals inscribed "For Gallantry in Saving Life at Sea," shall be published in the *London Gazette*, and that a Register of the names of such of these persons as belong to the Royal Navy or the Royal Marines, shall be kept in the Office of the Lords Commissioners of the Admiralty, and a Register of the names of the persons not belonging to the Royal Navy or the Royal Marines upon whom We may be pleased to confer either Medal inscribed as aforesaid, shall be kept in the Office of the Board of Trade.

VI. It is ordained that the Decoration for gallantry in saving lives endangered otherwise than by perils of the sea, shall be styled "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," and shall be inscribed "For Gallantry in Saving Life on Land."

VII. It is ordained that "The Albert Medal of the First Class," when conferred for gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letters V and A, erect in gold, surrounded by a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life on Land," and surrounded by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

VIII. It is ordained that "The Albert Medal of the Second Class" when conferred for gallantry for saving life on land, shall consist of the like shaped enamelled badge, save and except that it shall be entirely worked in bronze, instead of gold and bronze, and shall be suspended from a crimson riband of an inch and three-eighths of an inch in width with two white longitudinal stripes.

IX. It is ordained that the names of those upon whom We may be pleased to confer either of those decorations shall be published in the *London Gazette*, and that a register thereof shall be kept in the Office of Our Principal Secretary of State for the Home Department.

X. It is ordained that the Medals shall only be awarded to those of Our faithful subjects and others who, in saving or endeavouring to save the lives of others from accidents in mines, on railways, or at fires, or other peril other than perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department.

The following Rules and Ordinances are ordained for the government of the Decorations, whether awarded for Gallantry in Saving Life at Sea, or on Land:

XI. It is ordained that "The Albert Medal of the First Class" shall be confined to cases of extreme and heroic daring, and that the "Albert Medal of the Second Class" shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve "The Albert Medal of the First Class."

XII. It is ordained that each Medal shall be suspended from the left breast.

XIII. It is ordained that any act of gallantry which is worthy of recognition by the award of the Albert Medal but is performed by one upon whom the Decoration has already been conferred, may on a recommendation to Us by Our Principal Secretary of State for the Home Department, be recorded by a bar attached to the riband by which the medal is suspended; and for every such additional act an additional bar may be added.

XIV. In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall, by an especial warrant under Our Sign Manual, be forthwith erased from the register of those upon whom the said Decoration shall have been conferred, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our Heirs and Successors, shall be the sole Judges of the circumstance demanding such expulsion. Moreover We shall at all times have power to order that any person who may at any time have been expelled shall be restored to the enjoyment of the Decoration.

XV. The Warrants of the 7th March, 1866, the 12th April, 1867, the 30th April, 1877, the 13th September, 1881, the 12th March, 1891, and the 24th March, 1904, are hereby repealed.

Given at Our Court at St. James's, this fifth day of June, one thousand nine hundred and five, in the fifth year of Our Reign.

By His Majesty's Command,

fe6

(d.) To establish competitions in respect to contributions or information suitable for insertion in any publication of the Company or otherwise for any of the purposes of the Company ; to offer and grant prizes for reward and premiums of such character and on such terms as may seem expedient :

(e.) To carry on the said businesses, and all other kinds of business of a similar character or description, which may seem calculated, directly or indirectly, to

render profitable any of the Company's property and rights for the time being :

(f.) To purchase, take on lease or in exchange or otherwise acquire any real or personal property, and any rights or privileges which the Company may think necessary or convenient for the purposes of its business ; and to make advances in cash, goods or other supplies to other persons, companies or firms, and to take and hold real and personal securities for the same :

(g.) To apply for, purchase or otherwise acquire, and to use grants, licences or rights in respect of, or otherwise turn to account any patents, patent rights, brevets d'invention, licences, concessions and the like conferring any exclusive or non-exclusive or limited right to use, or any secret or other information as to any invention or process which may seem capable of being used for or in connection with any of the purposes of this Company, or which may seem calculated, directly or indirectly to benefit this Company :

(h.) To undertake and carry into effect all such financial, trading or other operations or businesses in connection with the objects of the Company as the Company may think fit :

(i.) To acquire and carry on all or any part of the business or property, and to undertake any liabilities of any person, firm or association, or company possessed of property suitable for the purposes of this Company, or carrying on any business which this Company is authorised to carry on, or which can be conveniently carried on in connection with the same, or may seem to the Company calculated, directly or indirectly, to benefit the Company, and as the consideration for the same to pay cash or to issue any shares, stocks or obligations of this Company :

(j.) To enter into partnership or into any arrangement for sharing profits, union of interests, co-operation, joint adventure, reciprocal concessions, or otherwise, with any person or company carrying on, or engaged in, or about to carry on or engage in, any business or transaction which this Company is authorised to carry on or engage in, or any business or transaction capable of being conducted so as directly or indirectly to benefit this Company ; and to lend money to, guarantee the contracts of, or otherwise assist any such person or company, and to take or otherwise acquire shares and securities of any such company, and to sell, hold, re-issue, with or without guarantee, or otherwise deal with the same :

(k.) To sell or dispose of the undertaking of the Company for such consideration as the Company may think fit, and in particular for shares, debentures or securities of any other company having objects altogether or in part similar to those of this Company :

(l.) To promote any company or companies for the purpose of acquiring all or any of the property and liabilities of this Company, or for any other purpose which may seem, directly or indirectly, calculated to benefit this Company :

(m.) To borrow or raise money for any purpose of the Company, and for the purpose of securing the same and interest, or for any other purpose to mortgage or charge the undertaking or all or any part of the property of the Company, present or after acquired, or its uncalled capital, and to create, issue, make, draw, accept promissory notes, bills of exchange, bills of lading, warrants, obligations and other negotiable and transferable instruments :

(n.) To take or otherwise acquire and hold shares in any other company having objects altogether or in part similar to those of this Company, or carrying on any business capable of being conducted so as directly or indirectly to benefit this Company :

(o.) To distribute any of the property of the Company among its members in specie :

(p.) To pay out of the funds of the Company all expenses of or incidental to the formation, registration and advertising of the Company, and to remunerate any person or company for services rendered, or to be rendered, in placing or assisting to place, or the guaranteeing the placing of any shares in the Company's capital, or any debentures or other securities of the Company, or in or about the formation or promotion of the Company or the conduct of its business :

(q.) To sell, improve, manage, develop, exchange, lease, mortgage, dispose of, turn to account or otherwise deal with the undertaking of all or any part of the property and rights of this Company, with power to accept as the consideration any shares, stocks, or obligations of any other company :

(r.) To do all such other things as are incidental or conducive to the attainment of the above objects or any of them.

It is hereby declared that the intention is that the objects specified in each paragraph of this clause, except where otherwise explained in such paragraph, shall be in no wise restricted by reference to or inference from the terms of any other paragraph, or the name of the Company. ja23

9. To carry on the business of electricians, mechanical engineers and manufacturers and workers and dealers in water and ice, electricity whether developed by water-power or otherwise, gas, natural or otherwise, motive power, heat and light, and any business in which the application of water, electricity, gas or any power like or otherwise is or may be convenient, useful or ornamental, and to manufacture, sell and lease the same to other corporations and to public and private consumers with electric, gas, water and oil machines, appliances and devices of all kinds for either the production, supply or use of light, heat and power, and all goods, wares, merchandise, property and substances now used in the production thereof or incidental thereto, or that hereafter may be invented, discovered or become known therein, and to contract for and furnish water, light, heat and power to other persons, firms and corporations, public and private:

10. To buy, sell, lease or in exchange hire or otherwise acquire any real or personal property and any rights, franchises, easements and privileges which the Company may think expedient or desirable to purchase or acquire for the purpose of its business:

11. To carry on business as commission and general merchants, agents, brokers, factors, bankers, capitalists and financiers, and to engage in any other business that may seem, directly or indirectly, conducive to the operations of the Company:

12. To acquire, purchase, construct, maintain, operate and control a telephone system or other means of communication by the utilisation of electric current or otherwise:

13. To construct, purchase, lease or otherwise acquire any transportation business and any tramway or tramways and equip and maintain and work by horse, electric or mechanical power all tramways or transportation businesses belonging to or acquired by the Company or which the Company may possess a right to operate, run over and work:

14. To carry on business as carriers of goods and passengers, omnibus and van proprietors, and to enter into contracts with any person or Company as to interchange of traffic, joint working or otherwise as may seem expedient:

15. To deal and trade in all kinds of natural products, goods, wares and merchandise, provisions and supplies in connection with the undertakings of the Company:

16. To acquire the good-will of any business and acquire or undertake the sale of all or any of the assets and liabilities of any such business and take over as a going concern the business in connection therewith:

17. To purchase or otherwise acquire all or any part of the business, property and liabilities of any Company, society, partnership or person, formed for all or any of the purposes within the objects of this Company, and to conduct and carry on, or liquidate and wind up any such business:

18. To manufacture, buy, sell and generally deal in any plant, machinery, tools, goods or things of any description which, in the opinion of the Company, may be conveniently dealt in by the Company in connection with any of its objects:

19. To let on lease or on hire the whole or any part of the real and personal property of the Company on such terms as the Company shall determine:

20. To apply for, purchase, or otherwise acquire any patent rights, licences, concessions, and the like, conferring any exclusive or non-exclusive, or limited right to use any secret or other information as to any invention which may seem capable of being used for any of the purposes of the Company, or the acquisition of which may seem calculated, directly or indirectly, to benefit the Company, and to use, exercise, transfer or grant licences in respect of, or otherwise turn to account the rights or information so acquired:

21. To enter into any agreement with any Government or authority or authorities, Federal, Provincial, municipal, local or otherwise that may seem conducive to the Company's interests, or any of them, and to obtain from such Government or authorities or take over from other persons or companies possessing the same, any rights, privileges and concessions which the Company may think it desirable to obtain, and to carry out and utilise the same, and to obtain or assist in obtaining any Acts of Parliament or of Legislatures or any sanctions or orders of any such Government or authorities which the Company may deem proper:

22. To promote or form, or assist in the promotion or formation of any companies, business or undertakings having objects wholly or in part similar to those of this Company, or for the purpose of acquiring, purchasing, holding, working or otherwise dealing with any property of the Company, or in which this Company is interested, or for any other purpose, with power generally to assist such companies, businesses or undertakings, and in particular by paying or contributing towards the preliminary expenses thereof or providing the whole or part of the capital thereof, or by taking or disposing of shares therein, or by lending money thereto, upon debentures or otherwise, and further to pay out of the funds of the Company all expenses attending the issue of any circular or notice connected with this or any other company:

23. To subscribe for, take, acquire, hold, sell and give guarantees by way of underwriting or otherwise in relation to stock, shares, debentures, obligations and securities of any company or any municipal, public or local board or authority, provided always that the funds of this Company shall not be employed in purchasing or acquiring its own shares, or in loans upon the security thereof:

24. To do all acts and things which may be necessary or desirable in connection with or to procure for the Company a legal recognition, domicile and status in any province, state or territory in which any of its property, estate, effects or rights may be situated or in which the Company may desire to carry on business, and to appoint local boards or committees, attorneys or agents (with such powers as the Directors of the Company may determine) to represent the Company in any such province, state or territory:

25. To draw, make, accept, endorse, discount, execute and issue promissory notes, bills of exchange, cheques, bills of lading, warehouse receipts, warrants, securities under the Bank Act, bonds, debentures, mortgages, and other negotiable or transferable instruments or securities of every nature and kind whatsoever:

26. To borrow, raise or secure the repayment of money in such manner as the Company shall think fit, and in particular by the issue of debentures, debenture stock (perpetual or terminable), bonds, mortgages or any other securities, founded, based or charged upon all or any of the property and rights of the Company, both present and future, including its uncalled capital, or without any such security, and upon such terms as to priority or otherwise as the Company shall think fit:

27. To issue or guarantee the issue of or the payment of interest on the shares, debentures, debenture stock, bonds or other securities or obligations of any company or association, and to pay or provide for brokerage, commission and underwriting in respect of any such issue:

28. To receive money on deposit, with or without allowance of interest thereon:

29. To advance and lend money upon such security as may be thought proper, or without taking any security therefor:

30. To invest the moneys of the Company not immediately required in such manner as from time to time may be determined :

31. To acquire by subscription, purchase or otherwise, and to accept and take, hold or sell shares or stock in any company, society or undertaking, the objects of which shall, in whole or in part, be similar to those of this Company or such as may be likely to promote or advance the interests of this Company :

32. To establish agencies and branches in the Dominion of Canada and elsewhere, and to regulate and discontinue the same :

33. To provide for the welfare of persons in the employment of the Company, or formerly engaged in any business acquired by the Company, and the wives, widows and families of such persons by grants of money, pensions, insurance or other payments, and by providing or subscribing towards such places of instruction and recreation and hospitals, dispensaries, medical and other attendance, and other assistance as the Company shall think fit, and to form, subscribe to or otherwise aid benevolent, religious, scientific, national or other institutions or objects which shall have any moral or other claims to support or aid by the Company by reason of the locality of its operations or otherwise :

34. To enter into and carry into effect any arrangement for joint working in business, or for sharing of profits, or for amalgamation with any other company, or any partnership or any person carrying on business within the objects of this Company :

35. To establish, promote and otherwise assist any company or companies for the purpose of furthering any of the objects of this Company :

36. To pay the expenses of and preliminary and incidental to the formation, establishment and registration of the Company :

37. Upon any issues of shares, bonds, debentures or other securities of the Company to employ brokers, commission agents and underwriters, and to provide for the remuneration of such persons for their service by payment in cash or by the issue of shares, debentures or other securities of the Company, or by the granting of options to take the same, or in any other manner allowed by law :

38. To sell, lease, exchange, surrender or otherwise deal with the whole of the undertaking and property and rights of the Company, or any part thereof, for such consideration as the Company may think fit, and in particular for any shares (whether credited as partly or fully paid up or otherwise), debentures or securities of any other company and to divide such part or parts as may be determined by the Company of the purchase money, whether in cash, shares or other equivalent which may at any time be received by the Company on a sale of or other dealing with the whole or part of the property, estate, effects and rights of the Company amongst the members of the Company by way of dividend or bonus in proportion to their shares or to the amount paid up on their shares, or otherwise to deal with the same as the Company may determine :

39. To pay for any lands, business, property, rights, privileges or concessions required or agreed to be acquired by the Company, and generally to satisfy any payment by or obligations of the Company, by the issue of shares of this or any other company credited as fully or partly paid up, or of debentures or other securities of this or any other company credited as fully or partly paid up, or of debentures or other securities of this or any other company :

40. To distribute any of the assets of the Company among the members in specie, and particularly any bonds, debentures or other securities of any other company formed to take over the whole or any part of the assets or liabilities of this Company, but so that no such distribution amounting to a reduction of the capital be made without the sanction of the Court where necessary :

41. To do all or any of the matters hereby authorised, either alone or in conjunction with, or as factors, trustees or agents for any other companies or persons, or by or through any factors, trustees or agents for any other companies or persons, or by or through any factors, trustees or agents :

42. To hold in the names of others any property which the Company is authorised to acquire and to carry on or do all or any of the matters aforesaid in the Province of British Columbia or any other Province, State or Colony, and either in the name of the Company or any company, firm or person as trustees for this Company.

43. Generally to carry on any other business, whether organised or otherwise, which may seem to the Company capable of being conveniently or profitably carried on in connection with the above or calculated, directly or indirectly, to enhance the value and render profitable any of the Company's properties or rights, and to do all and everything necessary, suitable, convenient or proper for the accomplishment of any of the purposes, or the attainment of any one or more of the objects herein enumerated, or incidental to the powers herein named, or which shall at any time appear to be conducive or expedient for the protection or benefit of the Company. And it is hereby declared that, in the interpretation of this clause, the meaning of any of the Company's objects shall not be restricted by reference to any other object, or by the juxtaposition of two or more objects, and that in the event of any ambiguity this clause shall be construed in such a way as to widen and not to restrict the powers of the Company. ja23

"COMPANIES ACT, 1897."

CERTIFICATE OF INCORPORATION.

I HEREBY CERTIFY that "The Kamloops Steam Laundry Company, Limited," has this day been incorporated under the "Companies Act, 1897," as a Limited Company, with a capital of fifteen thousand dollars, divided into three thousand shares of five dollars each.

Given under my hand and seal of office at Victoria, Province of British Columbia, this 13th day of January, one thousand nine hundred and eight.

[L.S.]

S. Y. WOOTTON,

Registrar of Joint Stock Companies.

The following are the objects for which the Company has been incorporated :—

(a.) To carry on business of a steam or other laundry in the City of Kamloops, and in other cities and places within the Province of British Columbia, with power to solicit orders from any place or places in the said Province, and to regulate from time to time the scale of charges for all or any work done by the said Company :

(b.) To purchase, take on lease, on exchange, hire or otherwise acquire and hold lands, estates, factories and machinery for carrying on the business of a steam or other laundry, and all rights-of-way, light or water, and any other rights and privileges, machinery, businesses, goodwills, plants, stock and trade, or other real or personal property, rights and franchises, as may be deemed advisable and as shall be necessary in the carrying on of the above mentioned business :

(c.) To purchase, take on lease, or in exchange or otherwise acquire any lands and buildings within the Province of British Columbia, and any estate or interest in, and any rights connected with any such lands or buildings :

(d.) To develop, lease, sell, exchange and turn to account any lands and chattels acquired by the Company :

(e.) To purchase, take on lease, exchange or otherwise acquire and to undertake and carry on the whole or any part of the business, property and liabilities of any person or company or partnership carrying on the same class of business which this Company is authorised to carry on :

(f.) To borrow or raise money and to secure the payment thereof in such manner as the Company shall

think fit, and in particular by the issue of debentures or debenture stock or both, charged upon any or all of the Company's property, and for such purpose to mortgage, hypothecate or otherwise charge the whole or any part of the Company's lands, holdings, properties, rights, franchises, businesses and undertakings, and to redeem, satisfy, pay off and discharge any debentures, mortgages and debts made by and loans made to the Company, whether such debts and loans be secured or otherwise :

(g.) To remunerate any person, partnership, persons or company either by the payment of money or by the issue of shares of the capital stock of the Company as fully paid up and non-assessable to such person or persons, partnership or company for services rendered, or to be rendered in or about the formation or promotion of the Company or the conduct of the business :

(h.) To draw, make, accept, endorse, discount, execute and issue promissory notes, bills of exchange, bills of lading, warrants, debentures and other transferable and negotiable instruments, and to make and execute deeds of grant conveyances, assurances, mortgages and all other instruments and agreements in writing which may be required :

(i.) To sell, improve, manage, develop, exchange, lease, mortgage, dispose of, turn to account or otherwise deal with all or any part of the property, undertakings, rights and franchises of the Company :

(j.) To use steam, water, electrical or other power as a motive power or otherwise :

(k.) To undertake and carry into effect all such financial or other operations or businesses in connection with the objects of the Company as the Company may think fit :

(l.) To promote any other company or companies for the purpose of acquiring all or any of the property and liabilities of the Company, or for any other purpose which may seem, directly or indirectly, calculated to benefit this Company :

(m.) To lend or invest moneys of the Company not immediately required for the business of the Company and to make advances on stock, shares and other securities and on property of all kinds and in such manner as the Company may from time to time determine ;

(n.) To take or otherwise acquire and hold shares in any other company having objects altogether or in part similar to those of this Company, or carrying on any business capable of being conducted so as to directly or indirectly benefit this Company :

(o.) To distribute any of the property of the Company among its members in specie :

(p.) To pay for all properties, real and personal, rights, businesses and undertakings in any manner acquired by the Company, and to pay all loans made to the Company, and any other indebtedness however incurred by the Company, either in money or by the issue of fully paid-up non-assessable shares of the capital stock of the company :

(q.) To procure the Company to be registered in any place or country :

(r.) To do all such things and undertake and carry on all such works and operations as are incidental to or conducive to the attainment of the objects of the Company. ja16

DOMINION ORDERS IN COUNCIL.

[Ref. 545,376.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 19th day of December, 1907.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

HIS Excellency the Governor-General in Council is pleased to order that sections numbered one to ten of the Regulations established by an Order in Council dated the 1st day of July, 1898, for the granting of licences to cut timber on Dominion Lands in the Provinces of Manitoba, Saskatchewan and Alberta, the North-West Territories, and within twenty miles on either side of the main line of the Canadian Pacific Railway in the Province of British Columbia, and all subsequent Orders in Council making amendments or additions to the provisions for the granting of licences to cut timber so established, shall be and the same are hereby rescinded and that the regulations attached hereto be substituted therefor, and be made also to apply to the tract of three and one-half million acres to be located by the Government of the Dominion in

the Peace River District in the Province of British Columbia.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

TIMBER REGULATIONS established by an Order of His Excellency the Governor-General in Council, dated the 19th day of December, 1907.

Disposal of Licences.

1. Licences to cut timber on Dominion Lands in the Provinces of Manitoba, Saskatchewan and Alberta, the North-West Territories, within twenty miles on either side of the main line of the Canadian Pacific Railway in the Province of British Columbia and in the tract of three and one-half million acres to be located by the Government of the Dominion in the Peace River district in the Province of British Columbia lying east of the Rocky Mountains and adjoining the Province of Alberta, shall be disposed of by public auction at the office of the Dominion Timber Agent for the district in which the berths are situated.

2. Before any parcel of timber is offered for sale it shall be surveyed by a duly qualified Dominion Land Surveyor into berths of an area not exceeding twenty-five square miles and each of such berths shall then be thoroughly cruised by a duly qualified timber cruiser in the employ of the Dominion Government, who shall make as exact an estimate as possible of the quantity of timber on the berth, ascertain its general condition, its accessibility, and any other matters that may be necessary to determine the value of the timber and to enable the Minister of the Interior to fix an upset price, and shall furnish a report thereon under oath to the Minister. The Minister shall then fix an upset price at which the berth shall be disposed of and no berth shall be sold at less than the price so fixed.

3. No licence shall be disposed of until notice of the sale has been given for a period of not less than sixty days in a newspaper published in the district in which the berth is located, and also in a newspaper having a general circulation in the Province.

4. There shall be kept in the Department of the Interior at Ottawa a list of persons to whom notice of all sales of timber shall be sent. Any persons making application in writing shall be entitled to have his name placed on the said list and no name shall be removed therefrom until after the expiration of sixty days from the date of a notice to be given in writing to the person so named and sent by mail to his last known address.

5. The notice of sale shall give the distinguishing number, the description and area of the berth, the upset price, the place and the day and hour at which such sale is to be held.

6. Purchases to the amount of one thousand dollars or under shall be paid in cash at the time of sale. Purchases over one thousand dollars and not exceeding five thousand dollars, shall be paid one-half in cash at the time of sale and a note or notes shall be given for the remaining half of the purchase price payable in three months with interest at the rate of five per centum per annum. Purchases over five thousand dollars and not exceeding ten thousand dollars shall be paid one-third in cash at the time of sale and notes shall be given for the remaining two-thirds of the purchase price payable in three and six months with interest at the rate of five per centum per annum. Purchases exceeding ten thousand dollars shall be paid one-fourth in cash at the time of sale and notes shall be given for the remaining three-fourths of the purchase price, payable in three, six and nine months with interest at the rate of five per centum per annum. Notes given as herein provided shall be made payable at a bank in the city or town in which the sale is held or at a bank in the City of Ottawa. Cash payments must be made at the time of sale in legal tender or by an accepted cheque on a chartered bank, or by a draft issued by a chartered bank payable to the order of the Deputy Minister of the Interior. If default is made in any payment required by this section the sale shall be forfeited and void.

(b.) The purchasers must also pay the cost or the estimated cost of the survey of the berth before a licence is issued.

7. Persons to whom berths are awarded at a sale shall sign a contract agreeing to carry out and complete the purchase on the terms and conditions of sale according to the following form:

District of Berth No.

I, of , having bid for the
berth above named the sum of \$ dollars, and said bid
having been accepted, do hereby promise and agree to

carry out and complete the same forthwith in accordance with the terms and conditions of sale as set forth in the notice of sale dated at _____ the day of _____ and in the regulations for the disposal of timber under licence established by His Excellency the Governor in Council.

Witness :

Licences.

8. No licence for any timber berth shall be issued until the full amount of the purchase price, the cost or estimated cost of survey, and the ground rent for the first year have been paid.

(b.) The licensee shall be entitled to a refund of any amount over paid on account of the survey of the berth, and if the amount paid on this account at the date of sale is not equal to the cost of survey as finally determined he shall pay such additional sum as may be necessary to make up the full cost of survey.

9. All timber licences shall expire on the thirtieth day of April next after the date from which they are granted.

10. The licence shall vest in the licensee, subject to the conditions mentioned in the licence, all right of property whatsoever in all trees, timber, lumber and other products of timber which he is entitled by the licence to cut, and which have been cut within the berth during the continuance thereof, whether such trees, timber, lumber or other products be cut by authority of the licensee or by any other person with or without his consent; and shall vest in the licensee, as against any person other than the Crown in the right of the Dominion, subject to the conditions mentioned in the licence, all right of property whatsoever in all trees, timber, lumber and other products of lumber cut within the berth during the continuance thereof by any other person without his consent; and shall entitle the licensee to seize in replevin, revendication or otherwise, as his property, timber of any kind cut upon the berth, where the same is found in possession of any unauthorised person, and also to bring any action or suit at law or in equity against any person unlawfully in possession of any such timber, or of any lands within the berth, and to prosecute any person to conviction and punishment for any offence in connection with such timber or land, and all proceedings pending at the expiration of the licence may be continued and completed as if the same had not expired.

11. A licence shall be renewable from year to year while there is on the berth timber of the kind and dimensions described in the licence in sufficient quantity to be commercially valuable, if the terms and conditions of the licence and the provisions of the Dominion Lands Act and of the regulations affecting the same have been fulfilled:

Provided that such renewal shall be subject to the payment of such rental and dues and to such terms and conditions as are fixed by the regulations in force at the time renewal is made.

12. Whenever any portion of a timber berth has not upon it timber of the kind and dimensions described in the licence in sufficient quantity to make it commercially valuable, the Minister of the Interior may, after an inspection has been made, declare such portion fit for settlement and withdraw it from the berth and from the operations of the licence covering it:

Provided that no withdrawal shall be made unless the licensee has had sixty days' notice thereof; and that the Minister of the Interior is satisfied that the same can be made without unduly interfering with the operations of the licensee on the berth, and that, upon such withdrawal, the ground rent shall be reduced in proportion to the area withdrawn.

13. If the Minister of the Interior ascertains after an inspection has been made, that any land within a timber berth is fit for settlement and is required for that purpose, he may require the licensee to carry on the cutting of timber provided for by clause 33 of these regulations on the said land, on the expiration of the time within which the timber which the licensee is entitled to cut should be removed therefrom, may withdraw such land from the berth and from the operations of the licence covering it.

14. If the survey of any timber berth heretofore granted or which may be granted hereafter is not completed at the expiration of the period fixed in the advertisement of the sale of such berth or, in the absence of such provision in the advertisement, by the thirty-first day of December, 1907, such failure to complete the survey shall be deemed an infraction of these regulations and shall render the licensee liable to forfeiture as provided therein.

(b.) Provided, however, that the Minister of the Interior may, instead of declaring a berth forfeited for failure to complete the survey thereof, require the licensee to pay to the Crown the sum of ten dollars for each day after a date to be fixed by the said Minister by notice mailed to the licensee at his last known address, during which the survey shall remain uncompleted, and such sum shall be payable whenever demand is made therefor by the proper officer of the Department of the Interior.

15. If, in consequence of any incorrectness in survey or other error or cause whatever, a timber berth is found to comprise lands included in another berth awarded at a prior date, or any lands sold, granted, leased or lawfully set apart for any other purpose under these regulations or The Dominion Lands Act, the latter berth shall be void in so far as it interferes with any previous sale, grant or setting apart.

16. Any right to a timber berth cannot be assigned or transferred without the consent of the Minister of the Interior. The fee for the registration of an assignment of a timber berth or of any interest therein shall be at the rate of one dollar for each square mile covered by the berth, but in no case shall such fee be less than two dollars.

17. The following is the form of licence to be issued for timber berths:—

Know all men by these presents that by virtue of the authority vested in me by the Dominion Lands Act, and by an Order of His Excellency the Governor-General in Council of the _____ day of _____, I, the Minister of the Interior of Canada, do hereby, in consideration of the sum of _____, ground rent, now paid to me for the use of His Majesty, King Edward the Seventh, and in consideration of the dues hereinafter mentioned, give unto _____, hereinafter called the licensee, his executors and administrators, full right, power and licence, subject to the conditions hereinafter mentioned and contained, and such other conditions and restrictions as are in that behalf contained in The Dominion Lands Act and the amendments thereto, and in the regulations respecting timber passed by the Governor-General in Council, to cut timber on the following tract of land (hereinafter called the "berth" or "berths") that is to say:—

and to take and keep exclusive possession of the said lands, except as hereinafter mentioned for and during the period of one year from the first day of May, to the thirtieth day of April, _____ and no longer.

This licence shall vest in the licensee, subject to the conditions mentioned in the licence, all right of property whatsoever in all trees, timber, lumber and other products of timber which he is entitled by licence to cut, and which have been cut within the berth during the continuance thereof, whether such trees, timber, lumber or other products be cut by the authority of the licensee or by any other person with or without his consent; and shall vest in the licensee as against any person other than the Crown in the right of the Dominion, subject to the conditions mentioned in the licence, all right of property whatsoever in all trees, timber, lumber, and other products of lumber, cut within the berth during the continuance thereof by any other person without his consent; and shall entitle the licensee to seize in replevin, revendication or otherwise, as his property, all timber of any kind cut upon the berth where the same is found in the possession of any unauthorised person, and also to bring any action or suit at law or in equity against any person unlawfully in possession of any such timber or of any lands within the berth, and to prosecute any person to conviction and punishment for any offence in connection with such timber or land, and all proceedings pending at the expiration of the licence may be continued and completed as if the same had not expired.

This licence is subject to the following conditions and restrictions in addition to such of the conditions and restrictions as are in that behalf contained in The Dominion Lands Act and the amendments thereto, and in the regulations respecting timber passed by order of His Excellency the Governor-General in Council.

(a.) That the licensee shall not have the right thereunder to cut timber of a less diameter than ten inches at the stump except such as may be actually necessary for the construction of roads and other works to facilitate the taking out of merchantable timber, and shall not have the right to cut any trees that may be designated by the proper officer of the Department of the Interior as required to provide a supply of seed for the reproduction of the forest.

(b.) The licensee shall be entitled to a renewal of his licence from year to year while there is on the berth

timber of the kind and dimensions described in the licence in sufficient quantity to be commercially valuable if the terms and conditions of the licence and the provisions of The Dominion Lands Act and of the regulations affecting the same have been fulfilled:

Provided that such renewal shall be subject to the payment of such rental and dues and to such terms and conditions as are fixed by the regulations in force at the time renewal is made.

(c.) Whenever any portion of the berth hereby licensed has not upon it timber of the kind and dimensions described in the licence in sufficient quantity to make it commercially valuable, the Minister of the Interior may, after an inspection has been made, declare such portion fit for settlement and withdraw it from the berth and from the operation of the licence covering it:

Provided that no withdrawal shall be made unless the licensee has had sixty days' notice thereof; and that the Minister of the Interior is satisfied that the same can be made without unduly interfering with the operations of the licensee on the berth, and that, upon such withdrawal the ground rent shall be reduced in proportion to the area withdrawn.

(d.) If the Minister of the Interior ascertains, after an inspection has been made that any land within the berth hereby licensed is fit for settlement and is required for that purpose he may require the licensee to carry on the cutting of timber provided for by Clause 32 of these regulations on the said land and on the expiration of the time within which the timber which the licensee is entitled to cut should be removed therefrom, may withdraw such land from the berth and from the operations of the licence covering it, and upon such withdrawal the ground rent shall be reduced in proportion to the area withdrawn.

(e.) That the licensee shall take from every tree he cuts down all the timber fit for use and manufacture the same into sawn lumber or some such saleable product, and shall dispose of the tops and branches and other debris of lumbering operations in such a way as to prevent as far as possible the danger of fire in accordance with the directions of the proper officers of the Department of the Interior.

(f.) That the licensee shall prevent all unnecessary destruction of growing timber on the part of his men and exercise strict and constant supervision to prevent the origin or spread of fires.

(g.) That the licensee shall furnish to the Dominion Timber Agent having jurisdiction in the matter at such periods as may be required by the Minister of the Interior or by regulations under The Dominion Lands Act, returns sworn to by him or his agent or employee, cognizant of the facts, showing the quantities manufactured, sold or disposed of, of all sawn lumber, timber, or any other product of timber from the berth with the exception of slabs and sawdust, in whatever form the same may be sold or otherwise disposed of by him during such period, and the price or value thereof.

(h.) In lieu of or in addition to the returns provided for by the preceding clause, the Minister of the Interior may require that every licensee shall furnish during each year to the Dominion Timber Agent having jurisdiction in the matter at such periods as may be required by the Minister of the Interior, through himself, his scaler or foreman, or through all of them, a statement in writing in detail, under oath, setting forth the number of pieces of timber, saw-logs and other material cut, caused to be cut or taken under his licence during such period, and the correct contents in board measure of the same, as shown by Scribner's log rule, if the timber has been cut in Manitoba, Saskatchewan, Alberta, or the North-west Territories, and by the British Columbia log scale when cut within the railway belt of British Columbia:

(i.) That the licensee shall pay, in addition to the said ground rent, dues in the manner prescribed in Section 21 of the Timber Regulations, and also one-half of the cost incurred by the Crown in guarding the timber from fire, the Government paying the other half. A statement will be furnished the licensee showing his share of the cost incurred and payment thereof shall be made to the Crown within thirty days thereafter.

(j.) That the licensee shall keep a "lumber sales book," in which shall be entered all sales of the products of the berth, both cash and credit sales, also a book accounting for the number of feet of sawn lumber manufactured each day at the mill, with the day and date; all books and memoranda kept at the logging camps shall be carefully preserved, and these and other books kept by the licensee in connection with

his lumbering business he shall submit for the inspection of the Dominion Timber Agent or other officer of the Crown whenever required for the purpose of verifying his returns aforesaid.

(k.) This licence shall be subject to the right of the Crown to deal in accordance with the provisions of the said Act, and the regulations made under it by the Governor in Council with any and all stone, coal and other minerals found within the limits of the berth licensed; and the Crown shall have the right in dealing as above provided, with any stone, coal or other minerals in lands licensed as timber limits to authorise the persons to whom such stone, coal or other minerals are granted to take possession of and occupy such extent of the land so licensed as is necessary to work such stone, coal or other minerals, and to open necessary roads through any such timber berth, paying the licensee of the berth the value of any and all timber of a diameter of ten inches at the stump and upwards, necessarily cut in making such roads or in working the quarries or mines, such value in case of dispute to be fixed by the Minister of the Interior; and the provisions of this clause shall operate retrospectively, that is to say: they shall apply to all licences of timber berths heretofore granted under any Act respecting Dominion lands, as if they had been contained in such Act when it was passed.

(l.) This licence shall be subject to forfeiture on the order of the Minister for violation of any of the conditions to which it is subject or for any fraudulent return:

Provided that in case the Minister shall decide to exercise the power of forfeiture conferred by this section the licensee shall have the right within thirty days of formal notification to him in writing by the Minister of his intention to declare such forfeiture, and which notification shall be deemed to be sufficient if addressed to the place last known to the Minister as the address of the licensee, to appeal against such notification of forfeiture to the Judge of any competent Court of the District having jurisdiction in matters of contract. The licensee shall within thirty days of the notification to him by the Minister notify the Minister in writing of appeal taken, and pending the report within reasonable delay from the Judge on the question of appeal, no declaration of forfeiture shall be made by the Minister. The Judge to whom appeal is taken shall report to the Minister his finding in the case and on receipt of such report the Minister may proceed under this section in accordance with his finding, and in case the finding be in favour of the Minister the Judge shall, when transmitting his report, issue a summons directed to the appellant calling upon him forthwith to vacate or abandon or to cease using the berth and if, upon the return of the summons it appears that he has not vacated or abandoned or ceased using the said berth, the Judge shall make an order or warrant for his summary removal from the berth, and the said order or warrant shall be executed by the sheriff, bailiff, constable or other person to whom it is delivered:

Provided that such report by the Judge shall be appealable by either side in like manner as any other decision of the said Court:

And provided further that if the violation of the regulations refers merely to payment of moneys due under the licence, the Minister may waive the power of forfeiture on payment of double the amount found by the Judge to be due, and costs, and may enforce payment in the manner provided for by The Dominion Lands Act and the timber regulations, and take such action in regard to all other matters of forfeiture as may arise and may be provided for by this section and The Dominion Lands Act:

(m.) That should any railway company become entitled to a grant from His Majesty or his successors, of any portion of the lands hereby demised, whether as part of their land subsidy provided for by the Statutes of Canada, or for the roadbed of the railway, or its branches, or for stations, station-grounds, workshops, dock-yards and water frontage on navigable waters, building-yards and other appurtenances required for the convenient and effectual construction and working of the railway and its branches, and if His Majesty or his successors grant the same, the land so granted, so soon as due notice thereof in writing has been served upon the licensee, or his legal representatives, be withdrawn from the operation of this licence, but the licensee or his legal representative shall be at liberty to remove all timber then cut, and all property belonging to him on the lands thereby withdrawn from the operation of this licence, and the ground rent shall be reduced in proportion to the area withdrawn:

(n.) This licence cannot be assigned or transferred without the consent of the Minister of the Interior:

(o.) The licensee shall have in operation within one year from a date when he is notified by the proper officer of the Department of the Interior that the Minister of the Interior regards such a step necessary or expedient in the public interest, and keep in operation, for at least six months of each year of his holding, a saw-mill in connection with the berth herein described, capable of cutting in twenty-four hours a thousand feet board measure for every two and one-half square miles of the area licensed:

(p.) Any notice, demand or other communication which His Majesty or the Minister of the Interior may require or desire to give or serve upon the licensee may be validly given and served by the Secretary or Assistant Secretary of the Department of the Interior.

Dated at Ottawa, this day of
 , one thousand nine hundred and

Deputy of the Minister of the Interior.

I accept this licence and agree to all the terms and conditions thereof.

Licensee.

Rental and Dues.

18. The licensee shall pay an annual ground rent of five dollars per square mile except for lands situated to the west of Yale, in the Province of British Columbia, in which case the yearly ground rent shall be five cents per acre.

19. Within thirty days after the date of awarding a timber berth the person in whose favour it is awarded shall pay rent for the year in advance, and if not then paid the said rent shall bear interest at the rate of five per centum per annum from that date until the same is paid.

20. The licensee shall pay the following dues on timber cut on his berths:

Sawn lumber, fifty cents per thousand feet board measure.

Railway ties, eight feet long, one and one-half cents each.

Railway ties, nine feet long, one and three-quarters cents each.

Shingle Bolts, twenty-five cents per cord.

And five per cent on the sale of all other products of the berth ;

Provided however that the licensees will not be required to pay royalty dues on the sale of slabs or on sawdust.

(b.) Licensees of timber berths may be permitted under the supervision of an officer of the Department of the Interior to cut and remove burnt timber from their berths on payment of one-half the dues prescribed by the regulations.

21. One-half the cost incurred by the Crown for guarding the timber from fire shall be defrayed by the licensee thereof, the Crown defraying the other half.

22. All ground rents, royalties or other dues on timber cut within the boundaries of any timber berths which are not paid at the time when they become due, shall bear interest at the rate of five per centum per annum until paid, and shall be a lien on any timber cut within such limits or on other Dominion lands by the licensee or his agents; and in case of such non-payment—whether in consequence thereof the licence of the berth has or has not been cancelled—the Dominion Timber Agent or other person authorised thereto may, with the sanction of the Minister of the Interior, seize so much of the timber cut on such berth or other Dominion lands by the licensee or his agents as will, in his opinion, be sufficient to secure the payment of such rent or royalty and all interest and expenses of seizure and sale, and may detain the same as security for the payment thereof; and if payment is not made within three months after such seizure, he may, with the sanction of the Minister of the Interior sell such timber by public auction; and after deducting the sum due to the Crown, the interest thereon and expenses aforesaid, he shall pay over the balance, if any, to the licensee, if the timber was in his possession at the time of the seizure, or if it was not, to the person who had possession thereof at the time. Provided that if no bid equal to the amount due the Crown is made at such public auction such timber may be disposed of at private sale.

23. All timber cut under licence shall be liable for the payment of the Crown dues thereon, whenever and wherever the said timber or any part of it is found, whether it is or is not converted into deals, boards or any other manufacture of wood; and all officers or

agents employed in the collection of such dues may follow all such timber paid or secured, as provided in the next preceding section.

24. If the payment of the dues on any timber has been evaded by any licensee or other person, by the removal of such timber or products out of Canada or otherwise, the amount of dues so evaded and any expense incurred by the Crown in enforcing payment of the said dues under the Dominion Lands Act may be added to the dues remaining to be collected on any other timber cut on any timber berth by the licensee or by his authority, and may be levied and collected or secured on such timber, together with such last-mentioned dues, in the manner hereinbefore provided; or the amount due to the Crown, of which payment has been evaded, may be recovered by action or suit in the name of the Minister of the Interior or his agent, in any court of competent jurisdiction.

25. The Minister of the Interior may take or authorize the taking of bonds or promissory notes for any money due to the Crown, as aforesaid, or, in his discretion, for double the amount of any dues, penalties and costs incurred or to be incurred, and may, if it is under seizure, then release any timber upon which the same would be leviable, but the taking of such bonds or notes shall not affect the right of the Crown to enforce payment of such money, and the debt shall be a lien on any timber cut on the same or on any other berth by the licensee or by his authority, if the sums for which such bonds or notes are given are not paid when due.

Returns of Manufacture.

26. The licensee shall in each year furnish to the Dominion Timber Agent having jurisdiction in the matter at such periods as may be required by the Minister of the Interior returns sworn to by him or his agent or employee, cognizant of the facts, showing the quantities manufactured, sold or disposed of of all sawn lumber, timber, or any other product of timber from the berth, with the exception of slabs or sawdust in whatever form the same may be sold or otherwise disposed of by him during such period and the price or value thereof.

27. In lieu of or in addition to the returns provided for by the preceding section of these regulations, the Minister of the Interior may require that every licensee shall furnish during each year to the Dominion Timber Agent having jurisdiction in the matter at such periods as may be required by the Minister of the Interior, through himself, his scaler, or foreman, or through all of them, a statement in writing in detail under oath, setting forth the number of pieces of timber, saw-logs and other material cut, caused to be cut or taken under his licence during such period, and the correct contents in board measure of the same, as shown by Scribner's log rule, if the timber has been cut in Manitoba, Saskatchewan, Alberta, or the Northwest Territories, and by the British Columbia log scale when cut within the Railway Belt of British Columbia.

28. It is required that all licensees, through themselves, their scalers and foremen, shall furnish proofs on oath on the first day of May of each year, or at such other time as the Minister of the Interior may direct, as to the exact locality, by a ground sketch, where all timber, saw-logs or other lumber cut by themselves and others, to their knowledge, upon the timber berth held or occupied by him or them, respectively, have been cut.

29. All timber before being put into any stream or lake to be floated to the mill must be marked with a stamp furnished by the licensee and approved by the Dominion Timber Agent, a copy of said stamp to be placed on record in the Dominion Timber Office.

30. On the arrival of any raft, or parcel of timber or saw-logs, cut or taken from Dominion Lands, at the place where the same is to be manufactured or sold, and before the same becomes mixed with the timber or saw-logs, the owners or persons in charge thereof shall report the same to the Dominion Timber agent having jurisdiction in the matter, making, if required, declaration upon oath as to where the said timber was cut, the number of pieces and the description of each kind of wood contained in such raft or parcel of timber and contents thereof in board measure, and should the Dominion Timber Agent not be satisfied with the correctness of such report, he shall cause a strict count and scale to be made of the timber on such raft; and on being satisfied of the correctness of such report or count, the Dominion Timber Agent may grant a clearance in due form for such raft, when the same may be at the disposal of the owner or person in charge of the same. Should the number of pieces

given in the report of the owner or person in charge be found by the specification of measurement to contain a greater number of pieces or contain a greater number of feet in board measure than is given by the owner or agent's report, the surplus number of pieces or overplus, if not satisfactorily explained, shall be held as having been cut on Dominion lands without authority and subject to payment of dues accordingly. This clause only to have force in case of a licensee making payment of dues on the quantity of lumber contained in the timber or saw-logs by log scale.

Manufacture.

31. All timber taken from berths acquired under the provisions of these regulations shall be manufactured within the Dominion of Canada, and all timber taken from a berth in Manitoba, Saskatchewan, Alberta or the North-West Territories must be manufactured at the saw-mill of the licensee to be operated in connection with the berth as prescribed by Section 32 of these regulations unless permission otherwise is given by the Minister of the Interior as provided by the said section.

32. The licensee shall have in operation within one year from the date when he is notified by the proper officer of the Department of the Interior that the Minister of the Interior regards such a step necessary or expedient in the public interest, and keep in operation for at least six months of each year of his holding, a sawmill in connection with his berth, capable of cutting in twenty-four hours one thousand feet board measure for every two and a half square miles of the area licensed, or shall establish such other manufactory of wood goods as the Minister of the Interior accepts as equivalent thereto.

(b.) Provided, however, that notwithstanding anything in these regulations, a licensee may in lieu of erecting a mill be permitted to have the timber cut from the berth or berths held by him manufactured at a mill which is not his own property, provided that he cuts from the said berth or berths at the rate of one hundred thousand feet annually for each square mile held by him under licence.

Cutting timber without authority.

33. If any person without authority or in contravention of the timber regulations, cuts, or employs or induces any other person to cut or assist in cutting any timber of any kind on Dominion lands, or removes or carries away, or employs or induces or assists any other person to remove or carry away any timber of any kind so cut, he shall not acquire any right to such timber, or any claim for remuneration for cutting the same, preparing the same for market or conveying the same towards market; and when the timber has been removed out of the reach of the timber officers, or it is otherwise found impossible to seize it, he shall incur a penalty not exceeding three dollars for each tree which, or any part of which, he is proved to have cut, carried away, or assisted to cut or carry away; and such sum shall be recoverable with costs, at the suit and in the name of the Crown, in any court having jurisdiction in civil matters to the amount of the penalty; and in all cases the burden of proof of authority to cut and take the timber shall lie on the person charged; and the averment of the person seizing or prosecuting, that he is duly employed under the authority of the Dominion Lands Act, shall be sufficient proof thereof, unless the defendant proves the contrary.

34. Whenever any timber agent or officer receives satisfactory information, supported by affidavit or solemn declaration made before a Justice of the Peace or before any other competent officer or person, that any timber has been cut on Dominion lands without authority or in contravention of the timber regulations, or if any timber officer or agent, from other sources of information or his own knowledge, is aware that any timber has been cut without authority on any such lands, he may seize or cause to be seized, the timber so reported or known to be cut, wherever it is found, and place the same under proper custody, until the matter is decided by competent authority.

35. If the timber reported or known to have been cut without authority or in contravention of the timber regulations has been made up with other timber into a crib, dam or raft, or in any other manner has, at any mill or elsewhere, been so mixed up with other timber as to render it impossible or very difficult to distinguish the timber so cut without authority from the other timber, the whole shall be held to have been cut without authority, and shall be liable to seizure and forfeiture accordingly, unless the holder separates to the satisfaction of the timber agent, the timber cut without authority from the other.

36. Whenever any timber agent or other officer or agent is in doubt as to whether any timber has or has not been cut without authority or in contravention of the timber regulations, or is or is not liable to dues on the whole or any part thereof, he may inquire of the person or persons in possession or in charge of such timber, as to when and where the same was cut; and if no satisfactory explanation, on oath or otherwise, as he requires, is given to him, he may seize and detain such timber until proof is made to the satisfaction of the Minister of the Interior, or of such timber agent or officer, that such timber was not cut without authority, and is not liable, either in whole or in part, to dues of any kind; and if such proof is not made within thirty days after such seizure, such timber may be dealt with as timber cut without authority, or on which the dues have not been paid, according to the circumstances of the case; and the dues thereon may be recovered as hereinbefore provided.

37. If any timber, or any product thereof, is seized under the provisions of The Dominion Lands Act by any timber agent or officer, he may allow such timber or product thereof to be removed and disposed of, on receiving sufficient security, by bond or otherwise, to his satisfaction, for the full value thereof, or in his discretion for payment of double the amount of all dues and the penalties and costs incurred or imposed thereon, as the case may be.

38. All timber seized under The Dominion Lands Act, shall be deemed to be forfeited, unless the owner thereof, or the person from whom it was seized, within one month from the day of the seizure, gives notice to the seizing officer or to the timber agent or officer under whose authority the seizure was made, that he intends to contest the seizure; and if, within fifteen days thereafter the claimant has not instituted proceedings before a court of competent jurisdiction to contest the seizure, or if the decision of the court is against him, or if the claimant fails duly to prosecute such proceedings in the opinion of the judge before whom such case is tried, who may for that cause dismiss the suit on the expiration of three months from the date on which it was instituted, the timber may be confiscated and may, after thirty day's notice posted up at the place where the same is confiscated, be sold by public auction, by order of the Minister of the Interior.

2. The Minister of the Interior may, if he sees cause for so doing, instead of confiscating timber cut on Dominion lands without authority or in contravention of the timber regulations, impose a penalty which, in addition to all costs incurred, shall be levied on such timber; and in default of payment of the whole on demand, he may, after a notice of fifteen days sell such timber by public auction, and may, in his discretion, retain the whole proceeds of such sale, or the amount of the penalty and costs only.

3. In the event of there being no bid equal to the amount due the Crown for timber put up at public auction under this section the Minister may dispose of the same by private sale.

39. Whenever any timber is seized for non-payment of dues, or for any cause of forfeiture, or any prosecution is instituted for any penalty or forfeiture under The Dominion Lands Act, and any question arises as to whether the said timber was cut on other than Dominion lands, the burden of proving payment, or of proving on what land the said timber was cut, shall lie on the owner or claimant of such timber.

40. Any officer or person seizing timber in the discharge of his duty under The Dominion Lands Act may, in the name of the Crown, call in any assistance necessary for securing and protecting the timber so seized.

CHILLIWHACK BY-LAW.

A BY-LAW

To provide for Draining parts of the Township of Chilliwack and for borrowing on the credit of the Municipality the sum of Seventeen Thousand Dollars (\$17,000 00) for completing the same.

Provisionally adopted the 28th day of December, 1907.

WHEREAS a majority in number and value of the owners, as shown by the last revised assessment roll, of the property hereinafter set forth to be benefited by the drainage, have petitioned the Council of the said Township of Chilliwack praying for the drainage of the following lands in Township twenty-six (26) of the said Municipality, comprised within the following boundaries, namely:—Commencing at the mouth of Semiault Creek; thence northerly and easterly, following the said creek to the west boundary of the Young Road; thence north and west, following the west and south boundary of said road to the south-west corner of Subdivision "D" of Lot 331; thence easterly and following the southern boundary of said Subdivision "D," Blocks 22 and 21, subdivision of Lot 331, to the south-east corner of said Block 21; thence in a line produced north-easterly to the south-west corner of Subdivision "B" of Lot 334; thence following the southern boundary of said Subdivision "B" to its south-east corner; thence north, following the eastern boundary of Subdivision "B" to the Yale waggon road; thence following the Yale waggon road to the north-east corner of the west one hundred acres of Lot 374; thence south, following the eastern boundary of said one hundred acres to the north line of Lot 378; thence following the north boundary of Lot 378 to the west boundary of Lot 379; thence following the west boundary of Lot 379 to its south-west corner; thence following the south boundary of Lot 379 to the north-east corner of the south-east quarter of Section 33; thence south following the east boundary of said quarter-section to the north boundary of the Chilliwack central road; thence east, following the north boundary of the Chilliwack Central Road, to the west boundary of the Upper Prairie Road; thence south, following the west boundary of the Upper Prairie Road to the south-east corner of the south-east quarter of Section 23; thence west, following the section line between sections 13 and 24, 14 and 23, and 15 and 22, to its intersection with the Semiault intersection ditch; thence following said intersection ditch to the Chilliwack River; thence following the Chilliwack River to the point of commencement.

And whereas thereupon the said Council procured an examination to be made by H. Neville Smith, Civil Engineer, being a person competent for such purpose, of the said locality proposed to be drained, and has also procured plans and estimates of the work to be done by the said H. Neville Smith and an assessment to be made by him of the land to be benefited by such drainage, stating as nearly as he can the proportion of benefit which, in his opinion, will be derived in consequence of such drainage by every lot or portion of lot, the said assessment so made being the assessment hereinafter by this By-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said H. Neville Smith in respect thereof, and of the said drainage, being as follows:—

"This sum I assess, as in the annexed schedule, against the lands benefitted by this work lying to the north of the Prairie Central Road, being assessed proportionately for digging Prairie Central Road Ditch and cleaning Semiault Creek from mouth

to Prairie Central Road, as detailed on estimate, and the land lying to south of Prairie Central Road proportionately for cost of entire scheme.

“The work as a whole is to be kept in repair, and maintained at the expense of the lands assessed for the work herein reported, and the said lands paying in the same relative proportions as for said work.

“Respectfully submitted,
“H. N. SMITH.”

And whereas the said Council is of the opinion that the drainage of the locality described is desirable :

Be it therefore enacted by the said Municipal Council of the said Township of Chilliwack, pursuant to the provisions of the “Municipal Clauses Act” :

1st. That the said report, plans and estimates be adopted, and the said drains and the works connected therewith be made and constructed in accordance therewith.

2nd. That the Reeve of the said Township Municipality may borrow on the credit of the Corporation of the said Township Municipality the sum of \$17,000.00, being the funds necessary for the works, and may issue debentures of the said corporation to that amount in sums of not less than one hundred (\$100.00) dollars each, and payable within five years from the date thereof, with interest at the rate of per cent. per annum ; that is to say, in half yearly payments on the day of and the day of in each and every year during the currency of said debentures, and such debentures shall be payable at the office of the Collector, Chilliwack, and shall have attached to them coupons for the payment of interest.

3rd. That for the purpose of paying the sum of \$17,000.00, being the amount charged against the said lands so to be benefitted as aforesaid, other than lands belonging to the Municipality, and to cover interest thereon for five years at the rate of 7 per cent. per annum, the following special rates, over and above all other rates, shall be assessed and levied upon the undermentioned lots and parts of lots ; and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot, respectively, shall be divided into five equal parts, and one such part shall be assessed and levied as aforesaid, in each year for five years, after the final passing of this by-law, during which the said debentures have to run :

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line;

the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows.—

In the BRITISH COLUMBIA GAZETTE, and in one news paper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with the notices published. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10½ inches by 7½ inches. There shall be a marginal

number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901 (see Journals, 1901, page 58), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

Dated 5th November, 1901.

THORNTON FELL,
Clerk, Legislative Assembly.

PRIVATE BILLS.

THE time limited by the rules of the House for the presentation of petitions for leave to introduce private bills expires on Monday, 27th January, 1908.

Bills must be presented to the House by Thursday, 6th February, 1908.

Reports on bills will not be received after Thursday, 13th February, 1908.

Copies of the bill, petition and notices must be deposited with the undersigned, and the House fees paid, not later than Wednesday, 8th January, 1908.

Dated this 2nd day of December, 1907.

de19 THORNTON FELL,
Clerk of the Legislative Assembly.

NEW WESTMINSTER BY-LAWS.

PLUMBERS AND PLUMBING REGULATION BY-LAW, 1906.

A By-Law to License and Regulate Plumbers and to provide for the Appointment of Plumbing Inspectors, and to provide for the Plumbing and Drainage of Buildings.

WHEREAS it is desirable and necessary to license and regulate plumbers in the City of New Westminster, and to provide for the appointment of a Plumbing Inspector, and to provide for the effective plumbing and drainage of buildings.

Therefore the Council of the Corporation of the City of New Westminster enacts as follows:—

1. The Council may from time to time, as occasion may require, appoint an Inspector for Plumbing, and any such Inspector shall be under the supervision of the Board of Health, and be given such remuneration for his services as the Council shall determine.

2. A Board of Plumbing Examiners shall be appointed annually by the Council. The Board shall be called together by the Plumbing Inspector, who shall be Secretary of the Board, at such times as the Council may find necessary.

3. In case any dispute arises under this By-Law as to whether any person or persons employed by any licensed master plumber is a regularly educated practical and experienced plumber, as in this By-Law is provided, the Plumbing Inspector may notify the said workman to appear and be examined before such Board of Examiners, whose decision as to the competency of such workman shall be final and conclusive.

4. Certificates of competency may be granted by the Board of Examiners to any plumber producing proof satisfactory to them that the applicant has undergone satisfactory training and due examination, and in absence of such proof to any applicant who shall, after an examination before the said Board, be considered by them to be competent, and such certificate shall be recorded in the office of the Plumbing Inspector, the person receiving the same paying a fee of \$1 therefor, and such plumber shall be a registered plumber of the City.

Provided that the Chairman of the Board may grant, on being satisfied with the competency of any journeyman plumber applying for the same, a temporary permit to such plumber for a period not exceeding thirty days, which permit shall confer on such plumber the same privilege for that period only as if he held a certificate from the Board of Examiners.

5. Upon and immediately after the passage of this By-Law, and in every ensuing year on or before the first day of July, any persons desiring to carry on business or trade as a master plumber within the City of New Westminster shall take out a licence, which licence shall be posted up in the office or shop of the master plumber at all times, for which he shall pay at the time of the issuing thereof a sum of \$20. Except as hereinafter provided, any person may take out a licence under the provisions of this By-Law on behalf of a partnership, firm or company of which he may be a member.

6. No person shall receive such a licence unless he has a place of business within the City of New Westminster, and furnishes a bond binding himself to the amount of \$500 with at least two sureties in the sum of \$250 each to the satisfaction of the Finance Committee, or a bond to the same amount from a guarantee company, that he will employ only registered plumbers who have received and held a certificate of competency from the Board of Examiners to do all such plumbing work as he may engage to do, and whether he is a practical plumber himself or not, will not permit or allow any such work to be done in connection with the business except by such registered plumbers, and that he will not violate any of the terms and conditions, rules and regulations contained in this By-Law, or in any other By-Law which shall come into force, from time to time in the City of New Westminster respecting plumbing, drainage, sanitary matters and water-works within the said City.

7. Every person desiring such licence shall file with the Inspector of Plumbing a petition in writing giving name of applicant, and in case of a partnership, the name of each member thereof, together with the place of business, and asking to become a licensed master plumber, and said petition shall be accompanied by the bond and fee hereinbefore mentioned.

8. Any change of firm or location of the business shall be promptly reported to the Plumbing Inspector, and the licence shall be kept in a conspicuous place at the location of the business.

9. When any member of a partnership or company is licensed individually for the partnership or company, the licence may be issued in the name of the firm, co-partnership or company, the said licence setting out the names of the members of the firm, co-partnership or directors of the company, and the date the licence was granted, and no licence so granted shall be transferable except with the permission of the Plumbing Inspector.

10. All licensed master plumbers shall be held responsible for all acts of their employees in connection with their business for which such bond and licence is issued.

11. Every such bond and licence shall be for the year current at the time of the granting thereof, and shall expire on the 15th day of January next succeeding the date of issue.

12. Upon satisfactory evidence furnished to the Plumbing Inspector that any master plumber has been twice convicted by the Police Magistrate, or a Justice of the Peace, of any violation of the provisions of this By-Law, or any of the By-Laws respecting plumbing, drainage, sanitary matters, or water-works, his licence shall be, *ipso facto*, forfeited and returned to the Inspector.

13. Any master plumber whose bonds and licence may become forfeited shall not again be entitled to a licence until the said declaration of forfeiture shall be revoked by the Plumbing Inspector, and if such master plumber is carrying on his business in co-partnership or as a member of a company the co-partnership or company shall not carry on the business of plumbing from the date of such cancellation.

14. Before proceeding to construct, re-construct, alter or change any portion of the plumbing, drainage or ventilation of any building the owner, his agent, or the master plumber constructing the same shall file in the office of the Plumbing Inspector an application for a permit therefor, and such application shall be accompanied with a specification or abstract thereof in a blank form prescribed and supplied for that purpose by the Plumbing Inspector, stating the nature of the work to be done and giving the size, kinds and weights of all pipes, traps and fittings, together with a description of all closets and other fixtures, and a plan with a description of the locality sufficient for identification, and showing the drainage system complete. Plans must be legibly drawn in ink on a scale of $\frac{1}{8}$ in. to the foot; provided, however, that this clause shall not apply to small repairs which do not alter the plan of the plumbing.

15. A permit shall be granted or refused within seven days from the time of filing of the application, and the permit of the Plumbing Inspector (if granted) shall be valid for six months from the date of issue.

16. If the Plumbing Inspector shall find that the said plans and specifications do not conform with the rules and requirements laid down in respect to plumbing and drainage in the By-laws of the City of New Westminster, he shall not issue any permit for the plumbing and drainage, and it shall be unlawful to proceed therewith.

17. After a plan or specification has once been approved no alteration or deviation from the same will be allowed, except with the written consent of the Plumbing Inspector.

18. From and after the passing of this By-law every owner, or agent of an owner of any building doing, or causing to be done, any plumbing in such building shall, on the same being passed by the Plumbing Inspector, be granted a certificate that such plumbing has been done in accordance with the City By-law, and on being requested to do so shall deliver such certificate to any person proposing to purchase or occupy such building.

19. No part of any plumbing or drainage work shall be covered or concealed in any way until it has been examined and approved of by the Plumbing Inspector, to whom notice must be sent when the work is sufficiently advanced to be inspected, unless in the case of drainage below the surface of the ground which the Inspector has failed to inspect within the five working hours next ensuing after being notified, then the ground may be filled in in case of an emergency affecting the public safety.

20. All materials must be of good quality and free from defects, and the work must be executed in a thorough and workman-like manner.

21. The arrangement of the soil and waste pipe must be as direct as possible.

22. The soil, waste and ventilating pipes and traps must, where practicable, be exposed to view for ready inspection at all times and for convenience in repairing. When necessarily placed within partitions or recesses of walls, soil, waste and ventilating pipes must be covered with woodwork so fastened as to be readily removed. In no case shall they be so placed as to be absolutely inaccessible unless under written permission from the Plumbing Inspector.

23. When the ground is made or unsound the house sewer shall be of medium or standard cast-iron or brass pipe, with joints properly caulked with lead.

24. In sound ground, provided it is outside of the building, hard salt glazed vitrified pipe may be used; each length shall be wetted before being laid and the space completely filled with cement mortar made in the proportion of two of good clean sharp sand and one of the best Portland cement, except in wet ground, when a gasket shall be placed around the spigot and forced down to the bottom of the socket and finished in mortar cement, as described above. Each pipe must be cleaned out with a mop after being laid. The different lengths must be laid in perfect line on the bottom and sides. All connections must be through "Y" junctions.

25. Any soil pipe passing through a building or beneath the floor of a cellar or basement shall be of cast-iron or brass as in section 23, and shall extend to

at least five feet outside the building, and no wall shall be built leaning solidly upon the same.

26. Every vertical soil pipe shall be of cast-iron or brass, and shall extend a sufficient height above the highest window, roof or coping, or light shaft to the satisfaction of the Plumbing Inspector.

27. No rain water down pipe or chimney flue shall be used as a ventilator for any sewer trap, soil or waste pipe, or as a soil or waste pipe.

28. Each building in which a water closet is placed shall be provided with a main ventilating pipe of cast-iron or wrought-iron pipe, galvanized, of not less diameter than four inches, which shall be carried at least two feet above the highest window, opening or light shaft.

29. Soil or main ventilating pipes in an extension must be carried to and above the roof of the main building, when otherwise they would open within 40 feet of any openings of the main or adjoining houses.

30. No soil pipe shall be less than four inches in diameter. A waste pipe receiving the discharge of five or more sinks shall not be less than three inches in diameter and shall have two inch branches.

31. When lead pipe is used to connect fixtures with vertical soil or waste pipe, or to connect traps with main ventilators, it shall not be lighter than:—

1½ inches in diameter.....	5¾ pounds per yard.
1½ " "	7 " "
2 " "	8 " "
2½ " "	10½ " "
3 " "	13½ " "
4 " "	24 " "

Trap vent pipes shall be of brass, lead, cast or galvanized wrought iron. All traps and fittings shall be equal in quality and thickness to the pipes to which they are attached.

32. All cast iron pipes must be of the best clean gray metal, free from sand cracks, honeycomb, porous places, air holes, or other defects, and of the grade known as "Standard," which may be used below all fixtures, and for ventilating pipes the grade known as "Standard" of the heavy quality. In buildings over three stories in height the lower three stories must be fitted with the grade known as "medium." The following will be accepted:—

Standards, 2", 3", 4", 5", 6" in diameter.

Below fixtures, 3, 4½, 6½, 8½, 10, 20 lbs. per foot.

Above fixtures, 3, 4½, 6½, lbs. per foot.

Medium, 5½, 9½, 13, 17, 20 lbs. per foot.

All fittings used in connection with such pipes shall correspond in weight and quality. All such pipes and fittings to be coated inside and out with tar and asphaltum.

33. Before being accepted, all plumbing work shall be tested by water or other test approved by and made in the presence of the Plumbing Inspector. All defective material shall be removed and replaced, and bad workmanship made good, at the expense of the master plumber doing the work.

34. All joints in iron or brass sewer pipe, soil pipe, waste pipe and ventilators shall be made with a gasket of oakum, and lead hand-caulked, and be perfectly gas tight.

35. All connections of lead with iron or brass pipe shall be made with a brass ferrule of the same diameter of the lead pipe put in a hub of the iron pipe and caulked with lead. The ferrule shall be connected with the lead pipe with a wiped joint. Vent and flush pipes of water closets shall be connected with brass couplings.

36. All connections of lead, waste and vent pipes shall be made with wiped joints.

37. All water closets, urinals, sinks, basins, wash-trays, baths, and all tubs or sets of tubs, and hydrant waste pipes shall be separated and effectively trapped, except when a sink and wash-tubs immediately adjoin each other, in which case the waste pipe from the tubs may be connected with the inlet side of the sink traps. Urinal platforms if connected with the sewers must also be properly trapped, vented and automatically flushed with water from a supply tank.

38. Tanks shall be placed as near the fixtures as practicable, and in no case shall a trap be more than two feet from the fixture. All traps must have a cleaning out screw on the under side.

39. All waste pipes from fixtures other than water-closets shall be provided at the outlet with strong metal stringers, and all sinks shall be provided with approved grease traps, except when such fixture is to be used for other than household purposes.

40. The waste pipes from no other fixtures shall be connected with a water-closet trap.

41. All traps shall be protected from syphonage by a ventilating pipe leading from the highest and outer portion of the trap, either separate or joining the main ventilating pipe, above the highest fixture, or by a sealed syphon preventer, which will only be allowed if in the opinion of the Inspector it is impracticable to provide otherwise.

42. For traps in water-closets the branch ventilating pipe shall not be less than two inches in diameter, and not less than three inches for a building of three stories or more in height. Where a bath or basin, or both, are in the same room with a water-closet, the vents for the same may join the closet vent above the fixture. In no case shall more than three water-closets communicate with the same ventilating pipe unless it is over two inches in diameter.

43. Overflow pipes must discharge into the open air and may have a flap on the end to keep out draught.

44. Every safe under a wash-basin, bath, urinal, water-closet or other fixtures, shall be drained by a special pipe unconnected with a sewer, waste or soil pipe, discharging into the open air.

45. No drain pipes from refrigerators shall be directly connected with any soil pipe, waste or sewer.

46. Water-closets shall not be placed in an unventilated room or compartment. In every case there shall be an opening to the outer air. All water-closets shall be supplied with water from special tanks, and the water from these shall not be used for any other purposes. No water-closets shall be directly supplied from the water mains or service pipes. Water-closet cisterns shall be fitted with ball taps, etc., to prevent waste.

47. Where the trap of a closet is above the floor, the connection with the soil pipe shall be made with brass and rubber approved flanges.

48. Overflow or discharge pipes from tanks for drinking water shall never be directly connected with any soil, vent, waste pipe or sewer.

49. No closet or any other convenience which allows the escape into the house of air or gas which has been confined in any part of it, or from the drain or soil pipe, or which allows the accumulation of filth in or about it shall be fitted up or used.

50. All water pipes must be protected from injury or settling.

51. The Plumbing Inspector shall have the power to enter upon any premises and examine the plumbing, ventilation and drains, and should the same, in his opinion, be in an unsanitary condition, may notify the owner, or his agents, to have the same put in a sanitary condition, and any person neglecting to do so forthwith, to the satisfaction of the Plumbing Inspector, shall be liable to the penalties of this By-law.

52. The Plumbing Inspector is also authorised to receive and place on file drawings and descriptions of the plumbing and drainage of buildings executed in the City of New Westminster, prior to the passage of this By-law, and examine and give a certificate, if in accordance with the provisions of this By-law, upon request by owners of said buildings.

53. Any person guilty of an infraction of any of the provisions of this By-law shall be liable, on conviction, to be fined in any sum not exceeding one hundred dollars, inclusive of costs, and in case of non-payment of the fine and costs the same may be levied by distress and sale of goods and chattels of the offender, and in case of non-payment of the fine, and there being no distress found out of which the same can be levied, such offender shall be liable to be imprisoned for any period not exceeding two months.

53a. This By-law shall come into force from and after such date as may be named by the Council by resolution.

54. This By-law may be cited as the "Plumbers and Plumbing Regulation By-law, 1906."

Done and passed in open Council the 4th day of June, 1906.

CERTIFICATES OF INCORPORATION.

No. 1,992.

"COMPANIES ACT, 1897."

CERTIFICATE OF INCORPORATION.

I HEREBY CERTIFY that the "Golden Giant Mines, Limited," has this day been incorporated under the "Companies Act, 1897," as a Limited Company, with a capital of one hundred thousand dollars, divided into one hundred thousand shares of one dollar each.

Given under my hand and seal of office at Victoria, Province of British Columbia, this 3rd day of February, one thousand nine hundred and eight.

[L.S.] S. Y. WOOTTON,
Registrar of Joint Stock Companies.

The following are the objects for which the Company has been incorporated:—

(a.) To acquire, manage, develop, work and sell mines, mineral claims and mining properties, and to carry on the business of mines of every description:

(b.) To crush, win, get, quarry, smelt, calcine, refine, dress, amalgamate, manipulate and prepare for market, metal and mineral substances of all kinds, and to carry on any metallurgical operations which may seem conducive to the Company's objects:

(c.) To buy, sell, manufacture and deal in minerals, plant, machinery, implements, conveniences, provisions and things capable of being used in connection with metallurgical operations, or required by workmen and others employed by the Company:

(d.) To purchase, take on lease or in exchange, hire or otherwise acquire and hold lands, mines, estates, factories, buildings, furnaces for smelting or treating ores and refining metals, mining rights, rights-of-way, light or water, or any other rights or privileges, machinery, business, good-wills, plants, stock-in-trade or other real or personal property as may be deemed advisable:

(e.) To construct, carry out, maintain, improve, manage, work, control and superintend any trails, roads, ways, tramways, bridges, reservoirs, water-courses, aqueducts, wharves, furnaces, saw-mills, crushing works, smelting works, concentrating works, hydraulic works, electrical works, telegraphs, telephones, gas works, factories, warehouses, ships, vessels and other works and conveniences which may seem, directly or indirectly, conducive to any of the objects of the Company, and to contribute to, subsidise or otherwise aid or take part in any such operations:

(f.) To use steam, water, electricity or any other power as a motive power or otherwise:

(g.) To acquire and undertake the whole or any part of the business, property and liabilities of any person or company carrying on any business which this Company is authorised to carry on, or possessed of property suitable for the purposes of this Company:

(h.) To enter into partnership or into any arrangement for sharing profits, union of interests, co-operation, joint adventure, reciprocal concessions or otherwise, with any person or company carrying on, or engaged in, or about to carry on or engage in, any business or transaction which this Company is authorised to carry on or engage in, or any business or transaction capable of being conducted so as to directly or indirectly benefit this Company; to borrow or raise money for any purposes of the Company and for the purposes of securing the same and interest, or for any other purpose, to mortgage or charge the undertaking or all or any part of the property of the Company, present or after acquired, or its uncalled capital, and to create, issue, make, draw, accept and negotiate perpetual or redeemable debentures or debenture stock, promissory notes, bills of exchange, bills of lading, warrants, obligations and other negotiable and transferable instruments:

(i.) To take or otherwise acquire and hold shares in any other company having objects altogether or in part similar to those of this Company, or carrying on any business capable of being conducted so as, directly or indirectly, to benefit this Company:

(j.) To promote any company or companies for the purpose of acquiring all or any of the property or liabilities of the Company, or for any other purpose which may seem, directly or indirectly, calculated to benefit this Company:

(k.) Generally to purchase, take on lease or in exchange, hire or otherwise acquire any real or personal property, and any rights and privileges which the Company may think necessary or convenient for the purposes of its business, and in particular any mines, mining rights, mineral claims, lands, timber lands or limits, buildings, easements, machinery, plant and stock-in-trade:

(l.) To sell or dispose of the undertaking of the Company, or any part thereof, for such consideration as the Company may think fit, and in particular for shares, debentures or other securities of any other company having objects altogether or in part similar to those of this Company:

(m.) To sell, improve, manage, develop, exchange, lease, mortgage, dispose of, turn to account or otherwise deal with all or any part of the property and rights of the Company:

(n.) To amalgamate with any other company having objects altogether or in part similar to those of this Company:

(o.) To distribute any of the property in specie among the members:

(p.) To pay out of the funds of the Company all expenses of or incidental to the formation, registration, and advertising of the Company, and to remunerate, either by cash or shares of the Company, any person or company for services rendered, or to be rendered, in placing or assisting to place, or guaranteeing the placing of any of the shares in the Company's capital, or any debentures or other securities in the Company, or in or about the formation or promotion of the Company or the conduct of its business:

(q.) To do all or any of the above things as principals, agents, contractors, trustees or otherwise, and by or through trustees, agents or otherwise, and either alone or in conjunction with others:

(r.) To do all such other things as the Company may think conducive to the attainment of the above objects, or any of them. fe6
